

Job Posting 23-P01

Intermediate Environmental Technician

About Us

Jp2g Consultants Inc. is an employee owned, multi-disciplinary consulting firm providing a comprehensive range of environmental, engineering, planning, and project management services to the public and private sectors, from offices in Arnprior, Ottawa and Pembroke.

Jp2g is committed to maintaining client satisfaction, encouraging employee growth, and enhancing our communities. At Jp2g, you will work with a dynamic multi-disciplinary group of engineers, technicians, project managers, and planners. Jp2g believes in employee empowerment. As a valued member of our professional team, you will enjoy a unique working environment with opportunities to demonstrate initiative while developing your skills.

Overview

Our growing company currently requires a qualified **Intermediate Environmental Technician** to work out of our **Pembroke** office.

For this portion we are looking for someone with at **least 5 years of professional experience** who is:

- ✓ Seeking an opportunity to grow their career
- ✓ Highly motivated and hard-working
- ✓ Confident and able work on-site with minimal supervision

As a member of our team, you will work on environmental projects for municipal, federal, commercial, institutional, and private-sector clients. Jp2g's environmental works include:

- ❖ Waste management
- ❖ Landfill monitoring and assessment
- ❖ Hydrogeological studies
- ❖ Groundwater assessments
- ❖ Water quality studies
- ❖ Nutrient management
- ❖ Environmental Site Assessments
- ❖ Environmental Impact Assessments
- ❖ Excess Soils Management

Role and Responsibilities

*The role and responsibilities of the **Intermediate Environmental Technician** include, but are not limited to, the following. Employees may perform other related duties as negotiated to meet Jp2g's ongoing needs.*

Technical Skills

- ❖ Access field work sites in urban and rural areas
- ❖ Collect soil, groundwater, or surface water samples for submission to accredited laboratories for analysis
